

## **Committee Meetings and other Meetings attended by the Legal Advice Unit**

### **Climate Resilient and Sustainable Agriculture Project (CRESAP)**

In October 2025, the Legal Advice Unit along with the Attorney General, Hon. Anthony Sylvestre, SC, attended a meeting with members of the Climate Resilient and Sustainable Agriculture Project (CRESAP). This project aims to increase agricultural productivity and adopt climate-smart agricultural approaches among project beneficiaries. At the meeting, discussions to include Belize Livestock Producers Association and the Belize Citrus Growers Association on the project among other topics were discussed. The Attorney General's Ministry has supported with the legal aspects of the Climate Resilient and Sustainable Agriculture Project (CRESAP).
